Introducing the DaVinci IQ3, a groundbreaking advancement in vaporization technology. Designed for those who crave unmatched flavor precision, the IQ3 redefines your sessions with its innovative Cool Core™ system and DaVinci's engineering excellence.

THERMAL MANAGEMENT

Equipped with four Smart Path™ temperature settings ranging from 0-221°C and precision, 1-degree temp adjustments, the IQ3 offers a unique, personalized vape experience.

CAPACITY & EFFICIENCY

The IQ3's oven is **33% larger**, holding up to 0.7 grams of material, and features a zirconia-glass pearl for perfect, evenly heated solo sessions. Powered by a 21700 lithium-ion battery, it delivers up to 90 minutes of uninterrupted performance **increasing each session by 50%**.

STRUCTURAL INTEGRITY

Constructed with aircraft-grade brushed aluminum and airtight zirconia-glass vapor paths, the IQ3 preserves pure, unblemished flavor with exceptional clarity. Elevate your vaporization journey with the DaVinci IQ3, where Cool Core™ technology ensures consistently cool, flavorful, and refined sessions.

COOL CORE™ TECHNOLOGY

At the heart of the IQ3 is the revolutionary Cool Core™ system, designed to elevate your experience. This patented technology **cools vapor by 50%** compared to previous models, delivering a refreshingly cool sensation with every draw. For an even more extraordinary experience, pre-chill the zirconia-glass Cool Core in the freezer to enjoy vapor that feels almost otherworldly. Paired with an improved Air Dial, boasting **70% increased air velocity**, the Cool Core enhances flavor, making each session exceptionally smooth.
